

# Papercraft Zombie Nativity

Live Once. **RISE AGAIN** Die Twice.  
a zombie thriller by Ben Tripp

This kit includes:

- 1 page Action Characters (Living, Undead, & Divine)
- 1 page historically manger
- 1 page background (heavens & earth)

Needed:

- Scissors
- Heaviest paper/cardstock that will go through your printer
- Glue or Tape

Instructions:

- Print all sheets on stiff paper.
- Cut out all parts to remove white background; make slits at red lines for insertion of tabs.
- Fold scenery sheet along gray line to form backdrop and base.
- Fold back crèche frame roof elements 90°, gluing tab A under roof edge B.
- Fold side walls on gray lines and glue together back and front, so that tabs C project from bottom of wall.
- Insert creche frame tabs into corresponding slits in scenery sheet. Insert tabs in base before tabs in backdrop. Fold all tabs flat on unprinted side of backdrop and base, then glue or tape in position.
- Insert tab of angel D into slit in roof E.
- Fold figures at gray lines to form base on each.
- Position figures as shown, or arrange as desired. Can be attached to base or left loose.
- Display your handsome nativity scene with pride.
